If you have a sat nav or route planner, there are shorter routes to find us (from the south, for example you may exit the M5 at junction 4 and find your way across country) but for simplicity we suggest you reach junction 5 of the M54.

Leave the M54 at junction 5 and then at Forge roundabout take the second exit onto the A5 signposted Cannock, Oakengates.

At the Hollinswood interchange roundabout take the first exit and then merge onto A442 (signposted Whitchurch). At Trench Lock interchange keep in left hand lane, then continue forward onto A442 signposted Whitchurch. At Hadley Park roundabout, take the second exit signposted Hadley Park.

However, if you do intend to use a sat nav we recommend using postcode TF1 6AF, which will take you to Earlyworld Childrens' Nursery. Hadley Park House can then be found 200 metres away on the right hand side.

HADLEY PARK HOUSE
HOTEL & RESTAURANT
timeless elegance, where individuality matters

We may be located on the edge of Telford, but from the moment you turn into our driveway, you'll notice that Hadley Park House Hotel & Restaurant has a distinct rural feel.

Timeless elegance,
where individuality matters.

Dorrells Restaurant is our award winning conservatory restaurant which consistently achieves an AA Rosette for food quality. Our kitchen brigade produces exceptional quality food predominantly using locally sourced produce. Pork is sourced from Wenlock Edge Farm, our beef is reared in Staffordshire, we have Staffordshire cheese on the cheeseboard ... and the list goes on.

Hadley Park House Hotel is the perfect venue for any celebration: weddings, renewal of vows, anniversaries, birthdays or any 'milestone' occasion. We've a choice of stylish rooms such as the 140 seat Mulliner Suite and also smaller more intimate choices. Our 3 acres of gardens provide the ideal backdrop to capture those picture-perfect moments.

The main manor house dates back to the 18th century and is still full of character. Hadley Park House Hotel provides a perfect location for weddings and celebrations; it's a conducive environment for business stays and conferences with Telford International Centre a few minutes away and is ideal for anyone looking for a relaxing leisure break with local attractions such as Ironbridge Gorge Museum and Severn Valley Railway but a short drive away.

We believe that our team are the lynchpin of an enjoyable stay. We have a relatively small team and you'll notice that they enjoy what they do; they're attentive without being obtrusive and professional without being unapproachable. Unfortunately, you don't get to meet all of the team; our housekeeping staff, kitchen porters and chefs work behind the scenes, but they're very much at the forefront of ensuring you receive the very best care and hospitality.

When you're away it's important to get a good night's sleep. So, we've invested in our 22 bedrooms to make them as relaxing and homely as possible. There are even a few small touches to add that little bit of luxury to your stay.

As you'd expect, all of the rooms have en-suite bathrooms and there's the obligatory TV and tea and coffee making facilities! WIFI is also available in the rooms in case you need to link to the 'world wide web' whilst away.

After a good nights rest, we'll make sure that you're set up for the next day thanks to a hearty, freshly cooked Shropshire breakfast.
