Hadley Park House Hotel provides
all of the touches to make your
event run smoothly.

It's all well and good trying to plan, learn, train or strategise at the office, but with constant interruptions thanks to the telephone or from a barrage of questions from employees, every now and again it's preferable just to get away; after all, sometimes you just need to sit back and do some serious thinking ...

At Hadley Park House Hotel & Restaurant we can't guarantee the outcome but we endeavour to provide a venue to instigate inspirational and creative thoughts or motivational training.

Hadley Park House Hotel has a choice of meeting rooms and menus to suit all types of meetings from small informal discussions to large corporate events. Call us to talk about how we can turn your next meeting into an event to remember.

Break off for a Break

For larger events, it's always good to leave the conference room. It helps to re-energise and re-focus; so for larger events, we encourage organisers to hold lunch in our conservatory restaurant. It's close enough to the function room so that people won't get lost, but will help to reinvigorate delegates for the afternoon session!

Munch Through Lunch

- we'll deliver to your door

If you're tied up in a business meeting at work and don't have time to spare for lunch, or if you have important clients to impress, then we can bring refreshments to you. Our extensive Munch through Lunch menu includes simple sandwich platters through to formal buffets.

We guarantee that there'll be no dry, curled-up white ham sandwiches or grease-laden deep fried 'nibbles'; instead there'll be a choice of freshly made sandwiches on a choice of breads, a freshly baked cake or for the health conscious a fruit platter. We'll deliver to you at the time you need, and what's more we can even provide the crockery and linen too.

Accommodation

We have 22 bedrooms available and offer special rates for conference delegates. All rooms include ample workspace - in case preparations have to be made for the next day.

Working Wireless

We have wireless broadband connection throughout the hotel that delegates can use free of charge.

Corporate Events and Product Launches

Although we are located on the edge of Telford, Hadley Park House is surrounded by landscaped grounds, which creates an oasis of calm in amongst the hustle and bustle of corporate life. Our grounds can be used for product launches and even team building activities.

Corporate events are our speciality and we can go that extra mile to offer something a little different. This is vital if you're looking for the 'wow' factor! We can bring together a whole range of entertainment options to enhance your evening and to add some extra special: Casino, Team Building, Murder Mystery, After Dinner Speakers, Evening at the Races

Delegate Rates

Some business events can be concluded in a single day, others work better when you sleep on the ideas and issues overnight.

Hadley Park House Hotel has two great packages available: 8 hour day rate and 24hour overnight package. We're also very flexible so if you only have quite small numbers or have special requirements in terms of the day and time you need to hold your event, then please do call us on 01952 677269.
