A FUSION OF CONTEMPORARY & CLASSIC

Of the **22** bedrooms at Hadley Park House Hotel, there are **12** bedrooms located in the original house; all with their own distinctive features and character. They are maintained to the exact same standard as the rooms within the West Wing, opened in 2010 by Lord Digby Jones of Birmingham.

As you'd expect from our Shropshire **luxury hotel**, all of the bedrooms have en-suite bathrooms. WiFi is also available in the rooms in case you need to connect to the outside world whilst you enjoy your **hotel stay** in Telford. We've invested in our hotel rooms to make them as **relaxing** and homely as possible.

INNOVATIVE, FLAVOURSOME & DISTINCTIVE DISHES

Cuisine at Hadley Park House Hotel is best described as modern-British with a twist! The standard is high, with an **AA Rosette** for food quality being consistently achieved. We also pride ourselves on dishes that are created in-house.

Our Head Chef champions local food producers, and wherever possible uses **local ingredients** to create innovative, distinctive dishes. Our main restaurant Dorrells is a noted, elegant Telford restaurant; it's intimate without being formal and to reflect our menu, it has a **distinct**, modern feel. Around **80** people can seat comfortably in Dorrells, and enjoy the fine food and **fine wines** in the light and airy conservatory.
